

ANNEXATION QUESTIONNAIRE

Valley View Sewer District and the City of Tukwila have entered into an Interlocal Agreement that gives the District authority to plan for sewer construction in the Loop and Surrounding Area (The Loop).

Currently The Loop is not an annexed part of the Valley View Sewer District.

At previous public meetings residents of The Loop have expressed an interest in annexation into the Valley View Sewer District.

Annexation will give residents of The Loop the right to vote for, and run for, a position on the Sewer District's Board of Commissioners.

Annexation will **not** affect whether or not public sewers are constructed in your area.

Your status as a City of Tukwila resident will not change by annexation to Valley View.

Valley View and The City of Tukwila will be discussing annexation of The Loop into the Sewer District. Both the City and the District would like to hear from you on this matter.

I would like the District to work with the City of Tukwila to annex my area into Valley View Sewer District.

I do **not** want to be annexed into the Valley View Sewer District.
